Dear Mayor and Commission Members,

On behalf of the Charter Review Committee, we greatly appreciate the honor of serving together for this review. We met, discussed, reviewed, and researched the Town Charter in its current form and our recommendations for amendments to the Town Charter are attached.

The current Town Charter references to only “he” or “his” are made. The Committee believes it is appropriate to update the Town Charter to provide for “she” and “her” in the updated Town Charter. These recommendations are made throughout the Town Charter.

Article II: The Committee is making the recommendation for residency requirements for members of the Town Commission be increased from six (6) months to twelve (12) months, as it believes this would provide candidates with roots firmly established in the Town. The Committee is also recommending updating the forfeiture of office provision for Commission members to include malfeasance and misfeasance.

Further, the Committee is making the recommendation that the term of office and vacancy provisions be amended to clarify the amount of time a Commission member that has served two (2) complete consecutive terms must wait until serving on the Commission again and clarify the time period an appointed Commission member shall serve. The Committee has also recommended language providing that the candidate with the largest number of votes shall be declared elected for the longest term available. Issues related to these items have occurred within the past few years and the Committee believes its recommendations will provide clarity on these issues moving forward.

Article III: The Committee spent a great deal of time discussing the Office of the Town Manager, Office of the Town Clerk, and the Code of Ethics. The Committee believes it is important to revise the non-interference clause to promote the efficient use of staff time and resources, while

providing the Town Commission with a mechanism to obtain information to support inquiries and investigations. Additionally, the Committee is making the recommendation to update the Code of Ethics section to revise the acceptance of gifts in accordance with Florida Statutes and to specify the applicable Florida Statutes for the Code of Ethics for Public Officers and Employees. With respect to the non-interference clause, the Committee believes that if it is adopted by voters, it necessitates education and procedures that should be fully discussed with new Commission members and reviewed by existing Commission members.

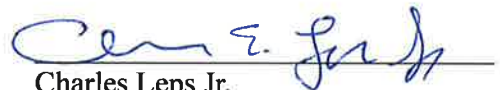

We appreciate the opportunity to share these recommendations in the spirit of improving the Town's governance. It has been an honor to serve on this committee and we have taken our responsibilities to review the Town Charter seriously. We are available to discuss these recommendations in greater detail should it be the desire of the Commission and would encourage the Commission to schedule a workshop to discuss the Committee's proposed amendments.

Sincerely,

James Simmons, Chair

Kathryn Ivers-Osthus

Bruce Larson, Vice-Chair

SECTION II – INTRODUCTION

TOWN OF MELBOURNE BEACH 2025 CHARTER REVIEW COMMITTEE

INTRODUCTION

Following the establishment of the 2025 Charter Review Committee, pursuant to Resolution 2024-14, the Charter Review Committee held eight (8) public meetings on January 27, February 10, February 18, March 24, March 31, April 14, April 21, and April 23, 2025, to discuss the Town's Charter and make recommendations for the Town Commission's consideration. The Committee members include James Simmons, Bruce Larson, Kathryn Ivers-Osthus, Charles Leps Jr., and Jessica Martinez. James Simmons was elected as chair of the Committee and Bruce Larson was elected vice-chair. All meetings were publicly noticed, public comment was welcomed, and minutes were kept in accordance with Florida's Sunshine and Public Records Laws.

At the first meeting, a presentation was made by the Town Attorney regarding the charter review process, ballot summary requirements, and Florida's Sunshine and Public Records laws. By consensus, the Committee decided to review the entire Charter section by section. At its February 10, 2025, meeting, the Committee reviewed Articles I and II of the Charter and a great deal of discussion occurred regarding the Commission's composition and qualifications and terms of office. On February 18, 2025, the Committee discussed Articles II and III. On March 24, 2025, the Committee continued reviewing the Charter at Section 3.03. At its March 31, 2025, meeting, the Committee completed its review of the Charter. On April 14, 2025, the Committee reviewed its proposed amendments to the Charter, narrowed and revised the proposed amendments, and determined the amendments the Committee considered to be "high" priority and "lower" priority. The high priority amendments are as follows:

- Section 2.03 – Term of Office
- Section 2.04 – Vacancies on the Commission
- Section 2.09 – Commissioners-at-Large
- Section 3.01 – Powers and Duties of the Town Commission
- Section 3.03 – Office of the Town Manager
- Section 3.04 – Office of the Town Clerk

The following amendments were assigned a lower priority as they do not impact Town operations. Additionally, the Committee was also concerned about the amount of ballot proposals. The lower priority amendments are as follows:

- He/She/His/Her Amendments
- Section 2.02 – Composition and Qualifications
- Section 2.12 – Legislative Procedure
- Section 3.05 – Office of the Town Attorney
- Section 3.11 – Code of Ethics

On April 23, 2025, the Committee voted to propose eleven (11) charter amendments to the Town Commission for consideration to be placed on the ballot for the November election. Additionally, the 2025 Charter Review Committee approved this Final Report for the Town Commission's consideration on April 28, 2025.

A. Charter review Articles 1 and 2

Chairman James Simmons requested the Town Attorney to elaborate on the Sunshine Law in reference to being a conduit.

Town Attorney Ryan Knight spoke about what a conduit is and how it would be a violation of the Sunshine Law.

Vice Chairman Bruce Larson spoke about 1.01, asked if making changes would lead to repealing the present Charter.

Town Attorney Ryan Knight said it wouldn't be repealing the entire thing, it would be amending it and you would be able to see what is being removed and added.

Chairman James Simmons spoke about unless there is something within Article 1 then it would not be in the referendum.

Vice Chairman Bruce Larson spoke about Section 1.02.

Town Attorney Ryan Knight spoke about unless something within that section is being changed, then it does not need to be amended.

Vice Chairman Bruce Larson spoke about how Section 1.04 does not include the Mayor and would like to amend that to start with the Mayor, Vice Mayor and Commissioners.

Chairman James Simmons spoke about how that Section is referring to 1973 when they approved the new Charter. Said the Mayor was on the ballot when that Charter was approved.

Town Attorney Ryan Knight spoke about the only reason he can see to amend that section would be if the terms were changing in Article II.

Vice Chairman Bruce Larson clarified that Section 1.04 does not have any effect. Spoke about wanting to amend Section 1.05, Boundaries.

Town Attorney Ryan Knight said from a legal perspective it would not be necessary to do, but it is something that could be included if they wanted to.

Vice Chairman Bruce Larson said that brings up the question of why we are here, do we want to only do things that are necessary to get it cleaned up or hash out how they did things in the past and come up with more changes. - 13:50

Chairman James Simmons said Section 2 is comprehensive, normally when doing document reviews, he will ask if everyone concurs on each issue and then everyone can vote at the end of the Section.

Vice Chairman Bruce Larson received confirmation from the Town Attorney that the Town has home rule authority and that it does not have to be explicitly stated.

Member Jessica Martinez said her concern is making sure the Town has more control of what they govern, clarified if something is against Florida law, that would supersede this.

Member Charles Leps Jr spoke about 2.02 and wants to carefully define how residency is legally determined.

Town Attorney Ryan Knight said residency is where people's primary residence is. As far as requirements for Charter, some cities require somewhere between 6 months and 2 years.

Member Jessica Martinez spoke about how she would like to increase it more than 6 months.

The Board agreed on wanting to increase the residency.

Town Attorney Ryan Knight spoke about one year is safe, but 2 years might get tested in court.

The Board agreed to change the 6 months to 12 months in Section 2.02.

Town Attorney Ryan Knight spoke about if it goes to court, they look for utility bills, payments, and the resident has to sign an affidavit swearing to their residency.

Chairman James Simmons said if someone were a 6 months and a day seasonal renter, even if they could vote, they could not be on the Commission.

Town Attorney Ryan Knight said someone who could not regularly attend meetings should not be on the Commission, however, there is nothing preventing them from being on the Commission and flying down once a month for meetings.

Vice Chairman Bruce Larson talked about how people would also have to be registered to vote there. Asked Town Clerk Amber Brown if the Town did their own investigations if people were actually living there.

Town Clerk Amber Brown said they only have information on residents in the current year.

Town Attorney Ryan Knight said it does say the Commission shall be the judge of the qualifications of the candidates for elections. - 28:50

Town Attorney Ryan Knight said it is currently worded as four Commissioners at large, another option would be electing people from districts, but that is usually an option reserved for larger Towns.

The Board did not want to change to districts.

The Board agreed to change moral turpitude to malfeasance and/or misfeasance.

Town Attorney Ryan Knight clarified there can be no dual office holding.

Member Charles Leps Jr brought up how changing the gender language throughout the Charter would be done. He confirmed it would only need to be addressed once to change all the instances that language is used as opposed to each time that language is used in each section of the Charter.

Town Attorney Ryan Knight said it would be one ballot question, for example, should we change the Charter from saying he to he/she. He does recommend having a revised copy attached to the Ordinance that has that language changed.

Vice Chairman Bruce Larson received confirmation that a copy with the changes could be released before the vote on the Town website.

The Board agreed to change any gender reference to gender-neutral language throughout.
46:46

The Board went through the remaining sections which addressed signature requirements and write-in candidates, and ultimately decided to leave them as is.

Chairman James Simmons went over the changes for 2.02 which were to change the requirement to 12 months to be a resident, changing crime involving moral turpitude to malfeasance/misfeasance, and to change any gender reference to gender neutral language.

Vice Chairman Bruce Larson made a motion to approve 2.02 as amended; Member Charles Leps Jr seconded; Motion carried 5-0. - 57:30

The Board agreed to come back to section 2.03(a) after getting feedback from the Commission on even year election vs odd year election.

Member Charles Leps Jr spoke about 2.03(a) and how that should refer to the next Regular Town Commission Meeting. Also spoke about not liking the use of the word qualified.

The Board agreed to change 2.03(a) next official meeting to the next Regular Town Commission Meeting. Also, change qualified to certified by the Supervisor of Elections.

Town Attorney Ryan Knight clarified that 2.03(a)1 is saying if you are an elected Commissioner you shall hold office for 3 years unless you were appointed or elected to fulfill the term of a Commissioner at large who has been removed from office.

Town Attorney Ryan Knight went over what happens if a Commissioner is recalled versus if they quit/die in office, but said they could be combined.

Member Jessica Martinez mentioned getting rid of appointments altogether and just holding a special election if someone has to leave office for whatever reason.

Town Clerk Amber Brown said they would be able to call a special election, but would have to allow the full amount of time and qualify the candidates, etc, so in the meantime the Commission would be down a member until that special election took place. - 1:12:45

Member Jessica Martinez asked if someone is appointed, does that count as a full term.

Town Clerk Amber Brown said if they appoint, it is for one year until the next general election. If they do a special election, then they could fulfill that remaining time. Said it does stipulate two full terms plus a partial.

The Board discussed the language to use to combine what happens for any of the reasons someone would leave office.

Member Charles Leps Jr said resignation, death, forfeit or recall would be the four reasons and believes that each should be stated.

Member Jessica Martinez spoke about how if someone left office, would not want to spend money on an election but does not like that the Commission can just appoint someone, and discussed requiring getting signatures from residents to support the Commissioners appointee.

Town Clerk Amber Brown read State Statute 100.361 Section 6 is for filling of vacancies. Shall be voted upon at the same election, is that why we cannot do an appointment?

Town Attorney Ryan Knight said if something is not in the Charter the State Statute governs.

The Board decided to leave the wording about what happens when a Commissioner leaves office as is.

Member Charles Leps Jr spoke about striking the last sentence of section 2.03(b). - 1:27:00

Chairman James Simmons spoke about how it says 365 days and each year there is less than 365 days between elections. Change it to 363 days.

Town Attorney Ryan Knight spoke about it could be changed to 11 months.

The Board discussed if there would be any negatives changing from 365 days to 11 months.

The Board agreed to change 2.03(b) from 1 year 365 days to 11 months.

The Board agreed to remove the last sentence of Section 2.03(b).

Chairman James Simmons said the changes the Board agreed upon for Section 2.03 were to say the next Regular Town Commission Meeting, and say certified by the Supervisor of Elections in 203(a), and for 2.03(b) to change 365 days to 11 months. Also said in Section 203(a) they will come back to the part about 3 years at a later date.

Member Charles Leps Jr made a motion to approve Section 2.03 as amended; Member Jessica Martinez seconded; Motion carried 5-0. - 1:44:40

Vice Chairman Bruce Larson mentioned at a Regular Town Commission meeting months ago, the Town Attorney mentioned there were several points that could be cleaned up and asked if he could highlight some of those points.

Town Attorney Ryan Knight spoke about how when someone resigns six months before an election, there's not enough time to get qualified to be on the ballot, so they might want to make a distinction between if there is more or less than 6 months less in their term. Also said to clarify that the next upcoming election can refer to the next general or special election.

Chairman James Simmons spoke about the cost of elections and how the more elections that are had, the more the budget is burdened and that could be at the expense of a lifeguard.

Town Attorney Ryan Knight said it says in the Charter, if the Commission does not appoint someone within 30 days, the Mayor must call a special election.

Vice Chair Bruce Larson would be in favor of language that allows the Commission to utilize appointments. Sometimes the time remaining for the term does not justify the cost of a special election.

The Board discussed recommending an Ordinance update to add a process for appointing a Commissioner.

Chairman James Simmons spoke about being ready to discuss the remainder of Section 2 and also Section 3.

Town Attorney Ryan Knight said he is going to make the changes to review at the next meeting.

6. Adjournment

Member Charles Leps Jr made a motion to adjourn; Member Kathy Ivers-Osthus seconded; Motion passed 5-0.

5. New Business - 1:20

A. Charter review Articles 2 and 3

Chairman James Simmons confirmed that the Board has reviewed the changes and are satisfied with what has been done so far. Moved onto Section 2.04 and spoke about the language used about recalls and filling the vacancies.

Town Attorney Ryan Knight explained that state law would govern the recall. Said they could reference that Statue, but it is not necessary, so the Board decided they were satisfied with the language currently being used.

Chairman James Simmons spoke about adding how previously in elections, if there are two full terms and one partial term, the third place finisher gets the partial term, but it does not explicitly say this anywhere, so they need to add that language into the Charter.

Town Attorney Ryan Knight said qualification would be assumed in order to be elected or appointed. Wanted to clear up what happens if someone resigns after the qualifying period has occurred which is between the 81st and 85th day preceding the election. The way the current Charter reads, if the resignation happens 30 days before election, is someone appointed for 30 days or would they be appointed up until the election the following year because they are not able to get on the ballot and no one can qualify for that seat. Suggested clearing up the last sentence with something like, once the qualifying period has passed, if someone resigns after that, they would be appointed to the Commission until the election the following year.

The Board agreed to add the following language to Section 2.04 Vacancies on the Commission, for which the qualifying period has not begun at the time of a vacancy.

No amendments to Section 2.05 Prohibition Against Employment.

Chairman James Simmons clarified that a person cannot hold two positions, which means a person cannot be a member of the Commission and hold a Board position.

No amendments to Section 2.06 Compensation.

No amendments to Section 2.07 the Mayor. However, the Board would like to get feedback from the Commission on the term being 3 years.

No amendments to Section 2.08 Vice Mayor.

Section 2.09 Commissioner-at-Large. - 22:26

Chairman James Simmons said the first sentence and first clause of the second sentence could be taken out. Spoke about adding language that says, in elections with two terms on the ballot, the 2 candidates receiving the largest and second largest number of votes shall each be elected to 3 year terms. Candidates receiving less than the 2 largest number of votes shall each be elected to the partial term with the higher vote getter getting the longer term.

Town Clerk Amber Brown spoke about why this language matters, giving an example of a time when there were two positions available, one for a 3 year term and one for a 1 year term

because someone vacated. Both of those would be filled at the next election, however depending on how the Town Attorney interpreted it, it was two separate races, each person had to specify if they were running for the 3 year term or the 1 year term.

Town Attorney Ryan Knight spoke about an alternative language saying something like, in elections with partial terms on the ballot, the candidate or candidates receiving the largest number of votes shall each be elected to the higher of the terms that are up for election.

The Board continued to discuss the options for language changes for this Section.

The Board agreed to have the Town Attorney come up with the language to amend Section 2.09 Commissioner-at-Large and start the section with Commissioner-at-Large Candidate.

No amendments to Section 2.10 Assignment of Department Responsibilities.

No amendments to Section 2.11 Commission Meeting - 37:00

Member Charles Leps Jr said at the end where it says, shall be open to the public where required, he doesn't know it that is ever specified.

Town Attorney Ryan Knight said it is addressed in the Florida Statutes what to do for a shade meeting.

Member Jessica Martinez asked if meetings are ever set in less than 24 hours, and if so, does the public complain?

Chairman James Simmons says they will call emergency meetings for things like hurricanes at the last minute and no one complains because it is not normal business.

Section 2.12 Legislative Procedure

Member Charles Leps Jr asked what is the purpose of the clause there, but a smaller number may adjourn from day to day.

Town Attorney Ryan Knight explained that in a situation where all 5 members are not present, there might not be 3 votes to adjourn.

The Board agreed to change the first sentence of Section 2.12 Legislative Procedure to a smaller number may vote to adjourn.

No amendments to Section 2.13 Ordinances and Resolutions - 46:30

Member Charles Leps Jr asked for clarification about the last part of the first paragraph.

Chairman James Simmons said that it means the Town Attorney does not have to read the whole ordinance for the second reading, he just has to read the preamble.

Town Attorney Ryan Knight said under Florida Statute, the whole ordinance does not have to be read for the first or second reading.

Chairman James Simmons noticed the title is what must be read at the second reading and the preamble can be read at the first.

No amendments to Section 2.14 Ordinances by Referendum Vote

Town Attorney Ryan Knight said this does not conflict with state law or the code section that references it. Said any land development issues would have to go through its own separate procedures.

No amendments to Section 2.15 Emergency Ordinances - 53:00

Member Jessica Martinez asked for an example of that.

Chairman James Simmons said an example would be a curfew during a hurricane.

No amendments to Section 2.16 Public Notice

No amendments to Section 2.17 Commission Attendance at Meetings

Chairman James Simmons said 2.17 was repealed and said he did not have the history on it.

Town Attorney Ryan Knight said sometimes in other city Charters, it will state something to the effect of, if a Commissioner misses a certain number of consecutive meetings, the Commission can vote to say they are absent and remove them and there would be a vacancy.

Section 3.01 Powers and Duties of the Town Commission

Member Charles Leps Jr asked what suspend is referring to in subparagraph a where it says suspend or remove.

Chairman James Simmons said you can suspend with or without pay in most jobs and this gives that authority.

Town Clerk Amber Brown asked if that section needs to be amended to remove Town Clerk.

Chairman James Simmons said the Town Clerk is now under the Town Manager instead of the Mayor/Commission, so it should be removed. Spoke about some of the positives of it being set up this way.

Vice Chairman Bruce Larson made an argument that it is stronger to tie the role of Town Clerk to the Commission. Also, spoke about the Town Clerk's engagement with elections, that they would need to have the ability to suspend from the Commission.

Town Attorney Ryan Knight said there would be a separate mechanism if the Town Clerk was not doing her job as far as elections go, it would fall on the Town Manager to take action and if that did not happen the Commission would suspend or get rid of the Town Manager.

The Board agreed to change Section 3.01(a) by removing the Town Clerk.

Vice Chairman Bruce Larson said there is value in the Town Clerk, who supports the Commission, being able to be hired and fired by them. Asked the Town Clerk for her opinion.

Town Clerk Amber Brown said she has not had any issues the way it is now. She said other municipalities have voiced issues with there being multiple bosses because the Commission cannot discuss things unless they are in a meeting, so day to day items can take longer. - 1:11:36

No amendments to Section 3.02 Administrative Units of Town Government

Vice Chairman Bruce Larson received confirmation that this referred to the Building Department and Public Works, it essentially is the same as departments.

Member Charles Leps Jr brought up Section 3.03 Office of the Town Manager, noticed missing from this there is no equivalent statement that says the salary of the Town Manager shall be fixed by the Commission (like it says with the Town Clerk.)

The Board discussed several small language and punctuation changes to this section.

The Board agreed to change Section 3.03 Office of the Town Manager to include the salary of the Town Manager shall be fixed by the Commission.

The Board agreed to change Section 3.03 to remove Office of the Town Clerk in (a).

Chairman James Simmons said for (b) for purposes of inquiries and investigations, have had past Commissioners that used that phrase to harass Town Staff and asked the Town Attorney if that language could be tightened up to avoid that.

Town Attorney Ryan Knight said this is common in Town Charters, but said he could revamp the whole clause. He pulled up an example from another city and said to create a separate section that defines investigations.

The Board discussed different language options they could use for this section.

Chairman James Simmons suggested saying the Town Commission by majority vote may direct Town Manager or Town Staff to support inquiries and investigations. - 1:42:15

Town Attorney Ryan Knight said another way of saying that would be, the Town Commission or its members shall not interfere with the performance of the duties of any officer or employee.

Chairman James Simmons said to take off the first clause, add a sentence, the Town Commission may direct by majority vote the Town Manager or Town Staff to support inquiries and/or investigations.

Vice Chairman Bruce Larson said there are two topics covered in this paragraph to which Chairman James Simmons disagreed, saying it is all dealing with interfering with Town Staff.

The Board discussed the delicate balance between trying not to take a Commissioners ability to act independently and do their own research away, but still putting wording in place that stops them from abusing that power.

Member Kathy Ivers-Osthus said the Town Clerk can always refuse a request. -1:56:08

Vice Chair Bruce Larson said it would technically be breaking the rule just by asking a request which he believes is too strict.

Town Attorney Ryan Knight spoke about putting together interference clauses from other Charters for the next meeting and could email them to the Board members in advance.

The Board agreed to have the Town Attorney provide language to amend Section 3.03 (b).

Chairman James Simmons said they will pick up at the Office of the Town Manager at the next meeting on March 10th.

5. **New Business**

A. Charter review starting at Section 3.03 Office of the Town Manager – 2:25

Section 3.03 Office of the Town Manager

Chairman James Simmons spoke about how they talked about 3.03A with one change being that the Town Manager's salary shall be set by the Town Commission.

Reviewed a memorandum from the Town Attorney outlining how other similar municipalities make requests of Town Staff.

Town Attorney Ryan Knight said if someone had a question for anyone under supervision of the Town Manager, you would send an email to the Town Manager requesting that information. Prohibits the Commission members from talking to employees.

Vice Chairman Bruce Larson arrived at 6:05 PM.

Chairman James Simmons spoke about the loophole of using an investigation and suggested a time limit for requests made directly to staff; anything over 15 minutes would need to be directed through the Town Manager.

Member Charles Leps Jr went through each municipality listed on the memorandum and described the level of separation between staff and elected officials that each one provides. He and Chairman James Simmons agreed the most intermediary one was Ponce Inlet. - 10:15

Chairman James Simmons suggested a version that does not include the wording except for the purposes of inquiries or investigations. And to add a sentence that says the Town Commission may direct by majority vote the Town Manager or Town Staff to support inquiries or investigations. Pointed out that this would only affect clerical requests such as document printing that are sometimes sent directly to staff.

Member Kathy Ivers-Osthus described the Town Manager being in a position to decide who is the best staff member to execute a request from an elected official, rather than letting the official choose who to ask.

Town Attorney Ryan Knight expanded on her explanation. He then said what you are trying to prevent is individual Commission members from emailing someone like Code Enforcement directly to get information on something.

Chairman James Simmons said there should be some compromise that doesn't totally force all requests to go through the Town Manager only.

Vice Chair Bruce Larson spoke about the importance of the Commission being able to get the information they need. Even if that can be abused, you cannot lock them out. Suggested having the language say the Commission shall not direct or order any staff, investigations should go through the Town Commission, except for inquiries as long as they do not interfere with the duties and responsibilities of the staff.

The Board agreed to the following language for Section 3.03(b):

~~(b) Except for the purpose of inquiries and investigations, the Town Commission or its members shall not give orders or directions to any officer or employee of the Town who is under the direction and supervision of the Town Manager, and shall deal with such officers and employees only through the Town Manager.~~ The Town Commission or its members shall not give directions to or interfere with any officer or employee of the Town who is under the direction and supervision of the Town Manager. The Town Commission may direct by a majority vote the Town Manager or Town Staff to support inquiries and/or investigations.

Vice Chairman Bruce Larson made a motion to approve paragraph 3.03 as revised, Office of the Town Manager; Member Jessica Martinez seconded; Motion carried 5-0.

Section 2.04 Vacancies on the Commission

Chairman James Simmons spoke about Section 2.04 paragraph 3 which says, among the successful candidates, those receiving the largest number of votes shall be declared elected for the longest terms.

The Board discussed having candidates run for specific term lengths or having them run together, and those with the most votes get the longest terms.

Member Charles Leps Jr expressed his concern about voters not knowing or understanding that there would be different length terms that they are running for or that they could possibly have to vote twice.

The Board agreed that rank choice would be easier, where the candidates with the largest number of votes receive the longest term. They discussed language surrounding this topic, wanting to make sure it applies to both general and special elections.

Town Attorney Ryan Knight said the other section this would apply to is 2.09.

Town Clerk Amber Brown said Section 2.04 was discussed and agreed upon at the last meeting. - 55:38

Section 2.09 Commissioner-at-Large

The Board agreed to amend the language in Section 2.09 to Commissioners-at-Large shall qualify and run for open seats. Add the language among the successful candidates those receiving the largest number of votes shall be declared elected for the longest terms.

~~A total of four (4) Commissioners-at-Large shall qualify and run for the four (4) open seats. At the November, 1989 election, the two candidates receiving the largest and second largest number of votes shall each be elected to three (3) year terms, while the two candidates receiving the third and fourth largest number of votes shall each be elected to two (2) year terms.~~

Among the successful candidates those receiving the largest number of votes shall be declared elected for the longest terms.

Member Charles Leps Jr said Section 2.02 lists the specifics, says there are 5 members, the Mayor and 4 Commissioners-at-Large so there is no need to specify that there are 4 Commissioners anywhere else.

Section 3.04 Office of the Town Clerk - 1:01:42

Town Clerk Amber Brown spoke about some potential problems with the language about the Town Clerk salary and the sole purpose of the role being to serve the Commission since the Town Clerk reports to the Town Manager now. - 1:07:45

The Board agreed to strike to serve the Commission and the salary of the Town Clerk shall be fixed by the Commission.

This office shall be headed by a Town Clerk hired by the Town Manager ~~to serve the Commission. The salary of the Town Clerk shall be fixed by the Commission...~~

Section 3.05 Office of the Town Attorney

Member Charles Leps Jr pointed out that it says the Town Attorney's salary is fixed by the Commission which is not true. - 1:02:50

Town Attorney Ryan Knight said that would cover the situation of an in-house attorney and suggested saying the salary or contract.

Chairman James Simmons said there are no Town courts anymore and confirmed with the Town Attorney that it should be removed.

Town Attorney Ryan Knight confirmed he is comfortable with the language in this section about the federal district court.

The Board agreed to amend Section 3.05 to amend the second sentence to the salary and/or contract of the Town Attorney shall be fixed and approved by the Commission. Remove the prosecutor in the Town court.

This office shall be held by an attorney, appointed by the Commission. The salary and/or contract of the Town Attorney shall be fixed and approved by the Commission. The Town Attorney shall be legal advisor and attorney to the officers of the Town in matters affecting the Town or relating to their official duties; prosecute and defend in behalf of the Town all civil actions in which the Town is a party; prepare and endorse written instruments in which the Town is concerned; ~~be prosecutor in the Town court~~; and perform other duties as the Commission may require or as may be prescribed by general state law, consistent with this Charter and with ordinances or resolutions of the Commission...

Section 3.06 Police Department – No Changes

Section 3.06A Law Enforcement and Police Protection – No Changes

Town Attorney Ryan Knight spoke about referendums being required and that having to do with the language regarding any arrangement entered into that would materially change. Does not believe the wording here needs to be changed.

Section 3.10 Independent Audits – No Changes

Chairman James Simmons clarified that the Town hires auditors by contract and said it goes out for bid. Said the audits are available to the public.

Section 3.11 Code of Ethics - 1:18:06

The Board discussed receiving gifts, tangible and intangible, and the Town Attorney said it cannot surpass a \$100 value. They spoke about adding language about staff or elected officials having a conflict of interest and disclosing it.

Town Attorney Ryan Knight spoke about how you cannot prohibit anyone from using their right to sue the Town.

Chairman James Simmons spoke about not prohibiting anything, but adding it as an ethical violation to open up the grounds of a recall.

Town Attorney Ryan Knight spoke about how the State Statute only provides 7 grounds for recall. - 1:32:52

3.11(d) and (e) for the next meeting, the Town Attorney will provide information on Conflicts of Interest and Code of Ethics and Malfeasance and Misfeasance.

Section 3.12 Advisory Boards - 1:37:45

Member Charles Leps Jr said electors are mentioned 6 times and registered is only used once.

The Board agreed to amend 3.12 Advisory Board by removing the word registered.

The Commission may establish advisory boards to make recommendations concerning economic development, recreation, parks, playgrounds, and their facilities and activities as well as planning and zoning and such other municipal functions as the Commission deems advisable. Such boards shall be composed of a representative membership of ~~registered~~ electors of the Town.

Section 5.01 Electors - No Changes

Section 5.02 Election Ordinances - No Changes

Section 5.03 Time and Manner of Elections

Town Attorney Ryan Knight mentioned where it says regular Town elections, usually the words used would be general and special so regular is inconsistent.

The Board agreed to remove the first word regular from Section 5.03.

~~Regular~~ Town elections shall be held on the first Tuesday after the first Monday in November each year. The candidate receiving the highest number of votes on the votes cast in the election shall be declared elected. When more than one vacancy for a Commission seat at large exists, that number of candidates receiving the most votes shall be elected.

Section 5.04 Disclosure of Expenses - No Changes

Member Jessica Martinez spoke about scheduling conflicts in May, and the Board settled on meeting every Monday.

Section 2.03 Term of Office

Vice Chairman Bruce Larson spoke about Section 2.03 Term of Office and cleaning up the language. Proposed adding language where you can only be in office for 7 out of 10 years.

B. Discussion on adding additional meeting dates

Section 3.11 Code of Ethics

Chairman James Simmons spoke about a couple of outstanding items which are changing the hes and hims throughout the document and Section 3.11(d) on page 17.

Town Attorney Ryan Knight said he was still working on changing some he's and him's. Recommends getting rid of the word valuable because it is open to interpretation. Said you would not need to reference the Florida Statute because it is encompassed in Subsection I.

The Board agreed to amend Section 3.11 Code of Ethics (d) to replace the word valuable with unacceptable, and replace the word thing with item whether tangible or intangible.

(d) Accept any ~~valuable~~ unacceptable gift as defined in Sections 112.313(2) and 112.313(4), Florida Statutes, whether in the form of service, loan, ~~thing~~ item, whether tangible or intangible, or promise, from any person, firm, or corporation which to his knowledge is interested directly or indirectly in any manner whatsoever in business dealings with the governmental body by which he is employed; provided, however, that any such officer or employee who is a candidate for public office may accept campaign contributions and services in connection with any such campaign;

Section 6.06 Rezoning Approval – No changes

Chairman James Simmons asked if the State preempted Section 6.06 Rezoning Approval. - 9:50

Town Attorney Ryan Knight said that in 2023 DeSantis signed Senate Bill 718 which inserted a provision saying you cannot do that. Said you can keep that section in there, but it is prohibited by Florida Law.

The Board agreed to leave it as is.

Section 6.07 Height Limits - No changes

Section 8.05 Effect of Final Budget and Effective Date – No changes

Vice Chairman Bruce Larson asked about Section 8.05 and the specific timeline for the budget.

Chairman James Simmons said they have to establish the proposed millage, send it in and then do a final millage vote at the final budget.

Town Clerk Amber Brown said the timeline is set by the state.

Section 8.06 Tax Authority and 8.07 Tax Assessment and Collection – No changes

Member Charles Leps Jr asked about Section 8.06 and the term privileges.

Town Attorney Ryan Knight said it could refer to the privilege to do business in Town.

Section 8.08 Special Assessments – No changes

Vice Chairman Bruce Larson spoke about Section 8.08 Special Assessments and asked if it was part of the budget process.

Town Attorney Ryan Knight gave an example where an area has septic tanks that residents have to connect to, they allocate \$2,500 as a cost for that. The special assessment would be \$2,500 for each property.

Member Jessica Martinez asked about Section 8.08. What happens if someone concretes their whole property without a permit, and now all the water is displaced on the neighbors, and what can be done? - 20:30

Chairman James Simmons spoke about how any concrete, pavers, pool, or buildings need a permit, so it would be handled during the permitting process. If they do not get a permit, prior to the work being completed, contact the Building Department.

Town Attorney Ryan Knight spoke about building without a permit could go through the Code Enforcement process and Special Magistrate.

Chairman James Simmons clarified that the decisions made by the Board of Adjustment are final, they do not have to go to the Town Commission.

Section 9.05 Charter Amendments and Revisions – No changes

Section 9.06 Conflicting Laws – No changes

Town Attorney Ryan Knight explained that this is a catch all statement saying if there is a conflict in an ordinance, then the Charter would govern and the ordinance would be appealed.

Section 9.07 Severability – No changes

Section 9.08 Effective Date – No changes

Chairman James Simmons asked if anyone had any sections they would like to revisit. - 31:30

Section 3.11 Code of Ethics

Member Jessica Martinez spoke about Section 3.11 Code of Ethics (e) is there a way to add malfeasance and misfeasance. Wants to make it more clear.

Town Attorney Ryan Knight spoke about the Code of Ethics Section is typically broad in order to cover all code of ethics violations. Just because malfeasance and misfeasance is not in this particular section does not mean it does not apply.

Member Charles Leps Jr said that this section does not necessarily have any teeth such as removal from office.

Town Attorney Ryan Knight spoke about Section (i) Code of Ethics for Public Officers, if you violated this section, it could lead to an investigation being opened.

Member Jessica Martinez asked what the Board thinks about adding State Statute 112.313(6) verbiage to the Charter. Residents lose faith and trust in the Town Government when someone is part of the Commission and is also suing the Town.

Chairman James Simmons proposed adding a subparagraph to 3.11 Code of Ethics (e) use or attempt to use his or her official position or any property or resource which may be within his or her trust, or perform his or her official duties, to secure a special privilege, benefit, or exemption for himself, herself, or others. This section shall not be construed to conflict with

104.31. Then add another subparagraph for nor shall an officer or employee of an agency have or hold any employment or contractual relationship that will create a continuing or frequently recurring conflict between his or her private interests and the performance of his or her public duties or that would impede the full and faithful discharge of his or her public duties.

Vice Chairman Bruce Larson spoke about the Code of Ethics is already included in the Charter.

Member Charles Leps Jr said this has stood for 50 years and would not want to modify it based on a current situation. - 45:42

Member Jessica Martinez spoke about how people are not going to go to the Florida Statute to read it, but if it is referenced in the Charter, it will be easy to find. Could the Statutes be cited?

Town Attorney Ryan Knight spoke about referencing Chapter 12 Part 3 of the Florida Statute.

Chairman James Simmons spoke about changing language to say, against the Town of Melbourne Beach and stop there, which brought up the issue of people recusing themselves.

Town Attorney Ryan Knight said you cannot prohibit someone from suing the Town.

Member Jessica Martinez verified there is no way to stop someone from running for office who is suing the town.

Chairman James Simmons spoke about adding a reference in the Charter to the State Statute.

Town Attorney Ryan Knight spoke about adding references to the applicable State Statutes.

The Board agreed to add the applicable State Statutes to the Code of Ethics section of the Charter.

(i) Violate the Code of Ethics for Public Officers and Employees as provided for in Sections 112.311 through 112.3261, as may be amended or the Florida Election Code , as set forth in Florida Statutes, and implementing rules thereof, and if a Town officer or employee has been found to have violated the Code of Ethics for Public Officers and Employees by the Florida Commission on Ethics or the Florida Election Code by the Florida Elections Commission, or implementing rules thereof, he or she may be censured by the Town Commission.

Chairman James Simmons asked if anyone had anything else for the Town Attorney. - 58:22

Town Attorney Ryan Knight said at the next meeting he would go through all of the changes again and rank them, then do a rough draft report.

Member Charles Leps Jr asked if it would be beneficial to get the red lines over to the Town Commission first.

Town Attorney Ryan Knight spoke about how the report goes to the Town Commission when it is complete and will include the language for the ballot.

The Board will meet next week to go over the proposed changes and narrow it down.

Member Charles Leps Jr asked about how many questions typically go on the ballot.

Town Attorney Ryan Knight said typically there are 4-5.

Member Charles Leps Jr verified that you cannot combine different sections together.

6. Adjournment

Town Attorney Ryan Knight said the strikethrough is in the current Charter, so it should not be there, which is why it was not included in the ballot language.

Section 3.04 Office of the Town Clerk

Member Charles Leps Jr said Section 3.04 has no ballot language associated with it. Could we combine it with 3.03?

Town Attorney Ryan Knight said that because it is a separate section, it would need a separate ballot question.

Town Attorney Ryan Knight spoke about how the Board can recommend as many as they want, and then the Commission can decide how many to proceed with.

The Board discussed that there are 11 proposed amendments.

Chairman James Simmons suggested ranking them based on the items that have caused the Town problems.

Vice Chairman Bruce Larson suggested creating two categories, one for priorities and one that are less of a priority.

The Board agreed to the following high priorities and low priorities.

High Priority

Section 2.03 Term of Office

Section 2.04 Vacancies on the Commission

Section 2.09 Commissioner-at-Large

At the November, 1989 election, the two candidates receiving the largest and second largest number of votes shall each be elected to three (3) year terms, while the two candidates receiving the third and fourth largest number of votes shall each be elected to two (2) year terms. Among the successful candidates those receiving the largest number of votes shall be declared elected for the longest terms.

Town Attorney Ryan Knight spoke about how if the Commission decides not to do he/she throughout, another option is in each Section that is being updated to include he/she.

Vice Chair Bruce Larson said while the he/she item is low priority, it should still be included in the language of any section we are changing because that's not an additional ballot item.

The Board discussed the prior meeting's minutes.

Town Attorney Ryan Knight showed an example for the City of Mount Dora, and said at the next meeting, they will have a report similar to that. It will include a table of contents, the

A. Review the revised report that will be presented to the Town Commission on Monday May 5th

Chairman James Simmons went through the revisions made since the last meeting. Under Introduction, where it says the following amendments were assigned a lower priority as they do not impact Town operations, and concern about the amount of ballot proposals. Suggested adding the words due to before concern about the amount of ballot proposals.

Member Charles Leps Jr suggested starting a new sentence after operations. To add additionally, the committee was also concerned about the amount of ballot proposals. The Board agreed.

Chairman James Simmons suggested making a page break, so the whole last paragraph in the introduction goes to the last page.

Chairman James Simmons said in Section 3.01, says this charter amendment will remove the Town Commission's authority to appoint, suspend, or remove the Town Clerk. Suggests adding, this amendment is required in order to be consistent with charter amendments adopted on 11/17/2017, which moved the Town Clerk organizationally from the Town Commission to the Town Manager. This is just to make it clear that this change is to be consistent.

Chairman James Simmons said for 3.05, suggests a page breakdown before D, financial analysis, because the text is on the next page. For 3.04, spoke about adding the same sentence he added for 3.01 about the Town Clerk. The Board agreed.

Town Attorney Ryan Knight spoke about increasing the font size for the matrix, but it might stop it from fitting on one page. The Board said they were fine with the font size the way it is.

Town Attorney Ryan Knight suggested that before the workshop, there could be a brief meeting to approve the minutes. Suggested one language change to the first page, where it says draft final report, to remove the word draft.

The Board agreed to meet 5 minutes before the workshop to approve the minutes.

Member Charles Leps Jr made a motion to approve the report as revised; Member Jessica Martinez seconded; Motion carried 3-0.

5. New Business

A. Review the report that will be presented to the Town Commission

Town Attorney Ryan Knight sent the Board the draft of the final report. Said this is their report, this is language he put in there, but they are welcome to change it. There were some changes to the ballot proposal, those were made because it had to be less than 15 words. Changes can be made tonight. Said there is a separate ballot proposal for the he/she language, if it is not being applied to the document as a whole, would the Board want it included in the individual sections?

Chairman James Simmons said they decided last week that if they are making changes to a section anyway, update the language for he/him.

First Page: Town of Melbourne Beach 2025 Charter Review Committee Draft Final Report

Chairman James Simmons said he would like to change his name from Jim to James. Also said that where it reads prohibiting Commission members from interference except through the Town Manager, would like to add words that say unless authorized by a majority of the Commission.

Member Kathy Ivers-Osthus said she would like to change Kathy to Kathryn.

Vice Chairman Bruce Larson came in at 7:05 pm.

Table of Contents - 6:50

Member Charles Leps Jr said on Amendment 1, change hers to her.

Cover Letter -7:16

Chairman James Simmons said to change Jim to James and Kathy to Kathryn.

Vice Chairman Bruce Larson said for the cover letter add the amendment number for the paragraph describing the amendment.

Chairman James Simmons and Member Kathy Ivers-Osthus said they did not think that was necessary.

Vice Chairman Bruce Laron spoke about moving on.

Chairman James Simmons said to change the names in the signature blocks on page 1, and Member Charles Leps Jr pointed it out on page 2 as well.

Chairman James Simmons said the Cover Letter does not include Sections 3.03, 3.04, 3.05.

Town Attorney Ryan Knight spoke about how the Cover Letter is an overview and does not need to include everything, to which the Board agreed. Section II lays out the high and low priority amendments.

Chairman James Simmons said to change the type of meeting from a special meeting to a workshop.

Introduction page - 14:55

Member Charles Leps Jr said to change Jim to James and Kathy to Kathryn.

Chairman James Simmons suggested adding an explanation why some items are considered a low priority, and Member Jessica Martinez agreed.

Member Charles Leps Jr spoke about using language that if there are too many ballot items.

Town Clerk Amber Brown said there would be a cost depending on how many pages it is.

Chairman James Simmons gave some examples for explaining why the items are lower priority, such as the Code of Ethics (covered by State law). Asked if they could group the high-priority items together and the low-priority items together, rather than have them in numerical order.

The Board agreed to group the high-priority items together and low-priority items separately.

Town Attorney Ryan Knight asked what language the Board would like to add to the Cover Letter to explain why the items were listed as low-priority.

The Board agreed to add the language – The following amendments were assigned a lower priority as they do not impact Town operations, and the concern about the amount of ballot proposals.

Recommended Amendments Section III - 24:28

Proposed Amendment 1 – Recognition of Both Genders

Member Jessica Martinez asked about the financial analysis and impact section.

Town Attorney Ryan Knight said for most of these, there will be no budgetary impact.

Chairman James Simmons asked about the table of contents being updated with the first high-priority number and adding the amendment number to the proposed amendment page.

Member Charles Leps Jr spoke about how right now the amendment order is very clearly laid out by the first one being global, and then by number, and the amendment number might change when it goes to the Commission anyway. Proposed keeping the order, but at the top of each page, add high-priority or low-priority.

The Board agreed to keep the order the same, but add high-priority or low-priority to the top of each page.

Section 2.02, Section 2.03, Section 2.04, Section 2.09, Section 2.12, Section 3.01, Section 3.03, Section 3.04, Section 3.05, and Section 3.11 – No changes

Matrix - 30:56

Vice Chairman Bruce Larson spoke about adding a column for high-priority or low-priority.

General Questions/Info - 31:45

Member Jessica Martinez asked if there is a financial impact, when will that be addressed?

Town Attorney Ryan Knight spoke about how prior to writing the ordinance, it would be presented to the Commission.

Chairman James Simmons asked if the cost impact needs to be on the ballot.

Town Attorney Ryan Knight said it would be included, but he does not believe there will be a financial impact. Said he would verify that with finance to be 100% sure. Suggested to the Board that he could make the changes, send them out, and then have one last meeting.

Chairman James Simmons said they could each review the changes online and give feedback to him so he would not have to make a trip.

Town Attorney Ryan Knight said they could pick a day he would already be in Town, and the Board could have a quick 20-minute meeting to discuss the revisions. Any members not present can email him their changes/suggestions, and he can go over those at the meeting.

The Board tentatively scheduled a meeting for 4/30/2025 at 6:00 pm to approve the report.

Chairman James Simmons asked about setting up a workshop with the Commission.

Town Clerk Amber Brown said she would reach out to the Commission to see if/when they would be interested in setting up a workshop.

(b) Neither a commission member or the mayor may qualify for or serve more than two (2) complete consecutive terms and the portion of an unexpired term occurring by reason of a vacancy. Notwithstanding the foregoing, an elected city official, such as a commissioner, who has served the maximum time in office as permitted by this paragraph, may qualify for and be elected to serve in a different city elected office, such as mayor. Further, a commissioner or the mayor who has served the maximum amount of time permitted by this sub- section may again serve on the commission subject to the time and term limitations of this sub-section; provided, that the official has not served on the commission for at least one (1) year (three hundred sixty-five (365) days = one (1) year); eleven (11) months .
