Subject: Public Comment for August 4, 2025

Joyce Barton, 322 3rd Ave.

Good evening Commissioners,

This electronic public comment is in lieu of me being there in person.

Re: Agenda item, New Business A. Presentations and consideration of the proposals from the RFP for Executive Search Services

There has been some speculation around Town about the procedure of obtaining the RFPs for the Executive Search Services.

For the record, I would like to ask any of the Commissioners and/or the Town Clerk to clarify the procedure that was followed. Where was it posted and for how long?

We know that only two proposals were received and are to be reviewed tonight.

Is it not the policy of Town procedure to obtain a minimum of three proposals?

Is the Commission willing to make an exception to this requirement by selecting one from only two proposals?

If so, Mr. Knight, is this legal?

If the answer is no, then this item should be dismissed because there have only been two RFPs received.

Thank you,

Joyce D. Barton
