

TOWN OF MELBOURNE BEACH

SPECIAL TOWN COMMISSION MEETING - BUDGET

September 16, 2026

AGENDA PACKET

Town of Melbourne Beach

SPECIAL TOWN COMMISSION MEETING **Wednesday, September 16, 2026 at 6:00 p.m.** COMMUNITY CENTER – 509 OCEAN AVENUE

PUBLIC NOTICE AGENDA

Commission Members:

Mayor Alison Dennington
 Vice Mayor Terry Cronin
 Commissioner Anna Butler
 Commissioner Tim Reed
 Commissioner Sherri Quarrie

Staff Members:

Town Manager A. Marie Smith
 Town Attorney Ryan Knight
 Town Clerk Cyd Jones

1. Call to Order

2. Roll Call

3. Pledge of Allegiance, Moment of Silence, and Civility Pledge

The Commission and Staff of The Town of Melbourne Beach pledge to conduct all public discourse in a civil manner. The Mayor and all members of the Commission will treat one another with courtesy and respect, and ask the public to do the same toward the Commission, each other, and toward staff. We will be respectful of one another even when we disagree. We will direct all comments toward the issues. We will avoid personal attacks.

4. Public Comment

After being acknowledged by the Mayor, members of the public should state their name and address for the record. The Commission encourages citizens to prepare their comments in advance. Each individual will have three (3) minutes to address the Commission on any topic(s) related to Town business, not on the Agenda. Please remember to sign the sign-in sheet provided if you will be speaking at the meeting.

5. Public Hearings

- A. Public Hearing on the Town's Fiscal Year 2026-2027 (FY27) Millage Rate and Annual Budget – Town Manager A. Marie Smith

6. New Business

- A. Resolution 2026-08, Adopting the Final Millage Rate for the Fiscal Year 2026-2027 – Town Manager A. Marie Smith
- B. Resolution 2026-09, Adopting the Final Budget for the Fiscal Year 2026-2027 – Town Manager A. Marie Smith

7. Adjournment

PURSUANT TO SECTION 286.0105, FLORIDA STATUTES, THE TOWN HEREBY ADVISES THE PUBLIC THAT: In order to appeal any decision made at this meeting, you will need a verbatim transcript of the proceedings. It will be your responsibility to ensure such a record is made. Such person must provide a method for recording the proceedings verbatim as the Town does not do so. In accordance with the Americans with Disability Act and Section 286.26, Florida Statutes, persons needing special accommodations for this meeting shall, at least 5 days prior to the meeting, contact the Office of the Town Clerk at (321) 724-5860 or Florida Relay System at 711.

Town Commission Regular Meeting

Meeting Date: September 16, 2026

From: Town Manager

RE: Final Public Hearing on the Town's Fiscal Year 2026-2027 (FY27) Millage Rate and Annual Budget

Background Information:

The town has held numerous budget workshops, and the town manager has brought budget information and presentations during regular town Commission meetings over the past few months to get a sense of priorities setting for the Commission and Town. An additional workshop was added after the first budget hearing to be held on September 9, 2026.

At the first budget hearing on September 3, 2026, the Commission voted for the 4.6000 millage rate and accompanying budget with edits that were suggested for the budget message (and accompanying policy updates to follow):

1. Create Reserve Fund Policy
2. Create Special Fund Management Policy
3. Conduct Mid-year budget review
4. Conduct road and stormwater masterplans
5. Add pie charts to message for revenues and expenses
6. Add general obligation bond language to the debt section of the message

The town manager has made those edits to the message, which apply only to the 4.6000 millage rate, not the rollback rate.

Advertisement for the final budget hearing has been approved by the TRIM compliance office with the Florida Department of Revenue, and the ad will run on Friday, September 11, 2026.

In this packet is the budget at 4.6000 with the following components

- Budget message (updated as stated above)
- Budget document with flow charts for fire and police
- Capital Improvement Projects document
- Resolution for approval of a millage rate
- Resolution for approval of the budget

Staff has also added two additional resolutions for the millage rate and budget at the rollback rate to the package, in case a 4-member vote is not achieved for the 4.6000 millage rate. The

Commission can vote for a lower millage rate, but not higher than 4.6000 millage. The rollback millage rate and accompanying budget require a 3-member vote.

Recommendation:

This is the final budget hearing in which the Commission must vote first on a millage rate and then a corresponding budget. The Commission has voted during the first budget hearing for the 4.6000 millage rate and accompanying budget. Edits/additions to the budget and finance process have been agreed upon by the Commission and will be executed by the town manager, as noted in the budget report for the 4.6000 millage rate.

Recommend the Commission pass the resolution for the 4.6000 millage rate and separate resolution for the accompanying budget.

TOWN OF MELBOURNE BEACH, FLORIDA

Brevard County's Oldest Beach Community • Established 1883

507 Ocean Avenue, Melbourne Beach, Florida 32951 • (321) 724-5860
August 31, 2026

FISCAL YEAR 2027 BUDGET MESSAGE

To the Honorable Mayor, Vice Mayor, Town Commissioners, and Residents of the Town of Melbourne Beach:

On behalf of Town staff, I am pleased to submit for your review and consideration the Town of Melbourne Beach's proposed Fiscal Year 2027 Budget, covering the period from October 1, 2026, through September 30, 2027, together with a Five-Year Capital Plan, as required by the Town Charter.

The Town of Melbourne Beach remains a financially sound, small barrier-island community whose breathtaking coastal appeal and rich heritage — dating back to 1883 — make it a community of choice for residents and visitors alike. As we work to preserve the Town's hometown charm and the quality of life it embodies, we must continue investing in infrastructure while balancing financial prudence with initiatives that are meaningful to our residents. This budget reflects that continued commitment to fiscal responsibility, transparency, and the preservation of the quality of life our residents value. Through careful evaluation and prioritization of programs and services, the Town maintains essential services — Police, Fire, Public Works, and Code Enforcement — while eliminating unnecessary costs and directing resources toward the initiatives that matter most to our community.

The proposed FY2027 Budget includes the following:

- **Millage rate held flat at 4.6000 mils:** unchanged from FY2026
 - *A rate that is 4.58% above the rollback rate of 4.3987 mils*
 - *The lowest millage rate on the barrier island and the fourth lowest in Brevard County*
- **General Fund operating budget of \$5,126,817:** a decrease from the FY2026 adopted budget
 - *No funds have been budgeted from reserves this fiscal year, preserving reserves and providing greater financial security for the Town*

- **Annual stormwater assessment increased to \$68.90 per Equivalent Residential Unit (ERU):** up from \$36.00, to fund the rising cost of basic maintenance of the Town's stormwater system
 - *This non-ad-valorem assessment has not kept pace with inflation, having gone unchanged for more than 20 years*
 - *The increase will generate an additional \$53,408.02 per year, funding stormwater maintenance, and future risk-reduction projects*
- **Current reserve funds of \$3,067,491:**
 - *Protecting the Town's financial reserves remains a top priority for the Commission and community, providing financial security amid hurricanes, emergency infrastructure repairs, unforeseen operational needs, and economic uncertainty*
 - *Reserves exceed the 15%–30% range recommended for municipalities by the Government Finance Officers Association and bond rating agencies*
 - *This year, the Finance Department also negotiated an 80-basis-point increase in the interest rate the Town earns on its savings account*

Sound and deliberate financial planning has provided flexibility to maintain core services and invest in capital infrastructure, while limiting obligations on residents and businesses alike.

Bringing Our Community Together

The Town met a number of challenges this year, and in doing so, Commissioners and staff forged new and closer partnerships with neighboring jurisdictions and organizations, including the Hubbs-SeaWorld Research Institute, the Florida Fish and Wildlife Conservation Commission, the Space Coast Transportation Planning Organization, the Rotary Club of Melbourne Beach, the Melbourne Beach Volunteer Firefighters Association, the Florida Joint Legislative Auditing Committee, the National Weather Service, the Brevard County Emergency Management Department, the Town's volunteer boards, and many more. From rescuing a manatee trapped beneath a town road, to preparing the Town to weather any storm, to welcoming hundreds of athletes for a spectacular triathlon, the Town brought its community together in many ways this year, including:

- **Saving a juvenile manatee, affectionately named "Melby," who was trapped seven feet underground in a stormwater pipe:** In partnership with the Florida Fish and Wildlife Conservation Commission, the U.S. Fish and Wildlife Service, SeaWorld, Brevard County Public Works and Fire, neighboring municipalities, and the Town's own fire and police departments, the roadway was excavated and a heavy-duty tow truck was used to free Melby. He was loaded onto a specialized transport truck – with hundreds of well-wishers looking on – bound for SeaWorld where he recovered. Melby was successfully rehabilitated and released back into the Indian River Lagoon two months later with a large crowd of supporters and all the staff from the Town, who had been following Melby's journey to recovery – the Melbourne Beach police department even minted a special Melby the manatee challenge coin. The rescue drew international attention and highlighted how the Town's partners and friends can come together for a

shared cause.

- **Receiving StormReady certification from the National Weather Service:** In partnership with the National Weather Service and the Brevard County Emergency Operations Center, the Town completed training, conducted drills, and hosted a StormReady workshop — complete with ice cream — to better prepare residents to save lives during severe weather events through planning, education, and awareness.
- **Making our streets safer for multi-modal transportation:** Town streets are heavily used by walkers, bikers, e-bikers, scooters, golf carts, and vehicles, particularly during morning and afternoon school hours. In collaboration with the Space Coast Transportation Planning Organization, a study is underway to analyze vehicle speed trends, crash history, enforcement activity, and school travel patterns near Gemini Elementary School, alongside existing roadway conditions, to identify low-cost, high-impact safety improvements on the streets most used by students. The study will also provide targeted speed management and enforcement recommendations that support the Town's safety goals, Vision Zero, and the Safe System Approach, while helping prioritize future transportation investments.
- **Celebrating the 250th anniversary of our nation's founding:** Melbourne Beach's patriotism was on full display this year, as the Public Works team refreshed signage, hung 250th Anniversary banners, planted red-white-and-blue flowers throughout town, painted cabanas and flower containers at our parks, added patriotic lighting to the pier, and painted red-white-and-blue circles on the lawn. A new golf cart parade and patriotic pet competition concluded at Ryckman Park, where the Melbourne Beach Volunteer Firefighters Association served refreshments ahead of the evening's fireworks display, with the Flutie Brothers Band providing the evening's soundtrack. The Parks Board also held an art contest for the nation's 250th anniversary; the winning student artist's mural is now mounted at the front of the Town Community Center.
- **Celebrating the 40th anniversary of the Pineapple Man Triathlon:** In coordination with the Rotary Club of Melbourne Beach and Town staff, the 40th Indian River Network Pineapple Man Triathlon brought more than 700 athletes and their supporters to town to cheer on contestants as they swam, biked, and ran through Melbourne Beach. The Melbourne Beach Fire Department stood ready to assist contestants in the Indian River Lagoon, while the Police Department kept contestants safe from traffic and other distractions along the route. The Pineapple Man Triathlon is Florida's oldest USA Triathlon (USAT)-sanctioned event.

Fortifying Town Services for the Community

Fiscal Year 2026 brought several notable changes to Town staff and operations that will enhance and expand the services available to Melbourne Beach residents and the surrounding community. The theme of partnership carried through the year, with substantial help and support from the

Melbourne Beach Volunteer Firefighters Association and the Florida Joint Legislative Auditing Committee auditors.

- **New services with new employees:** As positions turned over, the Town hired several new employees, including a new Town Clerk, Code Enforcement Officer, Finance Department Clerk, Building Department Administrative Assistant, Town Manager, and three new Firefighter Captains. With the addition of the new Captains, the Fire Department is now able to offer 24/7 coverage for fire and water rescue calls and provide basic life support services (see Melbourne Beach Town Organization Chart).

In order to find new, more predictable funding sources to continue to finance emergency services, the town will be undertaking a non-ad valorem fire assessment study in fiscal year 2027 to determine appropriate funding for fire department services. Funds to conduct the study are in the fiscal year 2027 budget and a consultant is on contract to start the research for the assessment study.

- **Improvements to Town Hall:** The Town Hall building received much-needed repairs and improvements this year to accommodate firefighters on shift. The second-floor showers were repaired and leaks mitigated, roof repairs are underway, and — with the generous support and donations of the Melbourne Beach Volunteer Firefighters Association — the second floor was transformed into living quarters for the firefighter captains and volunteers serving 24/7 shifts.
- **Improving processes and procedures:** The Town passed its annual audit and is also being audited this year by the Florida Joint Legislative Auditing Committee (JLAC). Town staff have generously given their time and expertise to provide JLAC auditors with the information needed, and the Town expects results in late December 2026 or January 2027 so the audit can improve any outdated processes or procedures.
- **Enhancing financial forecasting and transparency:** The Commission voted this year to include funds in the FY2027 budget for professional general fund forecasting over the next ten years. This will help inform the Commission on the trajectory of town funding; identify possible trends, challenges and solutions; and also provide insight into policy changes that could assist the town in long-term financial solvency. To better guide and enhance transparency in the Town's financial decision-making process, the Commission and staff will collaborate to establish both a reserve fund policy and special fund policy. It will also undertake a mid-year budget review to further hone estimates before end-of-the-year budget reconciliation.

Improving Infrastructure and Planning for the Future

Located on a barrier island with the Atlantic Ocean to the east and the Indian River Lagoon to the west, Melbourne Beach is one of the few places in the United States where residents can watch the sun rise and set over the water. Alongside its wildlife and scenic views, the Town faces a constant challenge in keeping water from encroaching on property and waste materials out of the surrounding waters. Stormwater maintenance and repair remain an ongoing concern, particularly as aging infrastructure — both above and below ground — requires attention.

That is why the Commission opted this year to bring a \$5 million general obligation bond referendum for stormwater and roadway improvements before voters this November (see section on Capital and Debt Service Funds). As a start to that process, the Town will undertake a new Stormwater Masterplan and Comprehensive Road Improvements Plan to prioritize identified projects in need of immediate attention, those that need further funding to be continued and those that can be phased in over time. With current funding, the Town has undertaken a number of projects this year, including:

- **Repairs to Basin 1 stormwater system:** Basin 1, one of the Town's largest stormwater basins, had insufficient capacity to handle stormwater as new impervious surface area and larger homes replaced older, smaller residences. Stormwater pipes were replaced in identified areas to mitigate key issues and paving and restoration of residents' lawns was completed as pipes were replaced. Only one task remains to be completed in that basin and is estimated at about \$180,000.
- **Engineering study of Basin 10:** The Commission selected Haley Ward to conduct a comprehensive study of Basin 10 to identify recommendations for mitigating flooding concerns in that basin. Melby the Manatee was discovered during this study!
- **449 Riverview Lane stormwater pipe repairs:** This stormwater pipe in the southwest of town is bent and is being repaired; the Commission has approved the work, which will begin this fall. A failing concrete stormwater pipe repair on Riverview Lane occurred earlier this year and the collapsing road above it was fortified and repaved as well.
- **6th Street seawall repair:** The south seawall on the lagoon side of 6th Street, near its intersection with Pine Street, will be repaired this fall. The Commission has approved a contractor and funding source to prevent the seawall from collapsing into the lagoon.
- **Ryckman Park fencing project:** The Commission approved a fencing project along the section of Ryckman Park facing the parking lot to prevent children from running into the street. The project, managed by the Town's Public Works Department, is underway.

Financial Highlights

Taxable Value

The Town's current-year net new taxable value — added through new construction, additions, and rehabilitative improvements, as reported by the Brevard County Property Appraiser's Office — is \$5,441,929. Most of this increase continues to come from new home sales; each time a home sells, the new owner's taxes are based on the property's current assessed value. Once a homeowner homesteads their property, the Florida Constitution's Save Our Homes (SOH) cap limits annual increases in assessed value to 3% or the change in the Consumer Price Index, whichever is lower. Taxable value will continue to rise as homes are bought and sold, so long as market values increase.

Millage Rate

The FY2027 millage rate is 4.6000 mills, unchanged from FY2026. The chart below shows the five-year millage rate history.

Tax Rate Impact on Residents

As a result of the Town's commitment to long-term financial stability, the Town is able to maintain Police, Fire, Public Works, and Code Enforcement services at a tax rate that is 4.58% above the rollback rate of 4.3987 mils.

The Town of Melbourne Beach continues to carry the lowest millage rate on the barrier island and the fourth lowest in Brevard County.

- **Potential Property tax reform:** The Florida Legislature placed a State constitutional amendment on the November ballot that would increase homestead exemptions from \$50,000 to \$250,000 over the next two years. It would also limit what those taxes can fund, curb non-homestead property valuations and have the Florida Legislature work to eliminate non-school homestead property taxes altogether.

Should the amendment be approved by the voters in the state, the Town will lose a portion of its income, as *an estimated 72% of the Town's just value is homesteaded*. This will require the Town to identify new, higher fees and/or reductions in service levels next year.

Budget Overview

The proposed General Fund budget totals \$5,126,817, a decrease from the Fiscal Year 2026 adopted budget. Under governmental accounting standards, all revenue must be offset by an equal amount of expense; bringing additional revenue into the General Fund from other Town funds increases total expense by the same amount, which in turn increases the overall budget total.

General Fund Revenues

Revenue Source	FY2027 Budget
Taxes	\$4,242,463
Licenses & Permits	\$257,050

Intergovernmental	\$341,671
Services	\$78,000
Fines & Forfeitures	\$16,250
Carry Forward from FY2026	\$84,170
Miscellaneous Income	\$107,213
TOTAL FY2027 GENERAL FUND REVENUE	\$5,126,817

FY2027 General Fund Revenue (\$5,126,817)

Parking revenues are not reflected in the General Fund. Ryckman Park (Fund 175) and Ocean Park (Fund 172) are self-supporting special revenue funds, each with its own revenue and expense categories; all revenue generated remains within the respective fund and rolls forward year to year. Ryckman Park anticipates FY2027 revenue of \$99,900 against expenses of \$142,950, funded in part by \$67,046 in carried-forward cash. Ocean Park anticipates FY2027 revenue of \$140,500 against expenses of \$53,452. Parking revenue supports the Town's free community events, festivals, and movies, as well as upkeep of the playground, basketball, and tennis courts. See the Special Revenue Funds section of the budget book for full details.

General Fund Expenditures by Function

Function	FY2027 Budget
General Government	\$2,153,474
Police	\$1,677,353

Fire	\$782,710
Planning and Development	\$309,002
Other Transfers	\$204,278
TOTAL	\$5,126,817

FY2027 General Fund Expenditures (\$5,126,817)

Expenses

The traditional “below the line” budget section within each department reflects the direct costs of day-to-day Town operations. Costs “above the line” refer to salaries and benefits. Departmental costs are calculated using historical data, upcoming project needs, and notices of rate changes from vendors, the State of Florida, and utility providers.

Salaries and Benefits — “Above the Line”

- Employees in good standing are entitled to a 3.75% wage increase.
- Police officers will receive a \$3,000 increase in base salary.
- The Town pays 100% of employee health insurance premiums and 50% of the premium for a spouse and children.
- The Town contributes the state-mandated 13.59% (37.74% for firefighters) to the Florida Retirement System; employees contribute 3%.
- The Town will contribute \$225,481 to the Police Pension Fund for FY2027 (of which the state contributes \$53,000 recognized as revenue to the town); police officers contribute 5% of

annual pay.

- The Town provides \$30,000 in life insurance for police officers and firefighters, and \$15,000 for all other employees.

Operating Expenses — “Below the Line”

Below-the-line operating expenses increased across all departments in FY2027, driven primarily by rising health insurance costs and the increased cost of goods and services town-wide. The Finance Department, however, took a close look at costs and identified several efficiencies that will benefit the Town and its budget process this year, including:

- After significant negotiations, insurance costs for Fiscal Year 2027 will be reduced by approximately \$100,000 — a rate reduction the Town has not received in nearly ten years.
- The Town’s banking services vendor has agreed to raise the interest rate on the Town’s banking account by 80 basis points, with negotiations underway to reduce or eliminate certain service charges.
- All gas purchases for Town vehicles will be reduced by \$0.15 per gallon. New billing efficiencies mean the vendor now sends a single invoice instead of reconciling individual credit card purchases.

Special Revenue, Agency & Historic Preservation Funds

The Town maintains several special revenue and agency funds that account for restricted revenue sources such as parking, stormwater assessments, donations, and dedicated board activities. Except where noted, these funds are self-supporting, and revenues remain within each fund, with balances rolling forward each fiscal year. The table below summarizes FY2027 budgeted activity for each fund.

Fund	Description	FY27 Revenue	FY27 Expense	FY27 Ending Cash
103	Donations Fund — Fire Dept.	\$5,000	\$18,000	\$6,930
104	Environmental Advisory Board	\$1,000	\$2,450	\$9,215
107	Parks and Recreation Advisory Board	\$11,075	\$10,200	\$15,818
121	Police Education Book Fund	\$700	\$1,500	\$2,264
122	Police ICE (Agency Fund)	—	—	\$12,917
124	Building Department Education Fund	\$900	\$320	\$2,048
125	Building Department Fund	\$228,300	\$217,844	\$10,456
141	Stormwater Assessment Utility Fund	\$114,869	\$94,000	\$120,681
172	Ocean Park Parking Fund	\$140,500	\$53,452	\$179,327

175	Ryckman Park Parking Revenue Fund	\$99,900	\$144,950	\$21,996
390	Historic Preservation Fund — Ryckman House	\$1,000	\$250	\$4,193
391	Old Town Hall History Center Fund	\$1,850	\$1,825	\$14,253
622	Police Donations Fund (Agency)	\$200	\$2,150	\$5,026

Note: Ocean Park (Fund 172) and Ryckman Park (Fund 175) are the Town's two parking-revenue funds; parking revenue is not reflected in the General Fund and instead funds free community events, festivals, and recreational facility upkeep in each respective park.

Capital and Debt Service Funds

The proposed budget has been developed through workshops and public meetings. Each year, the Town Manager and staff review departmental goals and objectives for the next five years to establish a baseline for capital expenditures; the Town Commission then reviews and incorporates these into the Five-Year Capital Plan. Planning high-dollar capital projects on a five-year schedule allows for better level-loading during a longer cash-accumulation period, which is necessary given the size of capital project costs relative to the Town's limited annual revenue.

Capital expenditures are budgeted within each department's operating expense; once purchased, the Town tracks capital purchases as depreciable assets over a useful life of five to thirty years.

This section describes the Town's capital program and outstanding debt obligations. The Municipal Complex Bond (Fund 201) is serviced through an annual transfer from the General Fund. The Stormwater Bond (Fund 202) was paid in full in FY2026.

The Long-Term Capital Projects Fund (333) and Stormwater Capital Projects Fund (341) receive departmental transfers to fund equipment, vehicle, and infrastructure replacement on a five-year rolling schedule.

Fund	Description	FY27 Revenue	FY27 Expense	FY27 Ending Cash
201	Municipal Complex Bond Debt Service	\$116,250	\$116,250	\$0
202	Stormwater Bond Debt Service (paid off FY26)	\$0	\$0	\$0
333	Long-Term Capital Projects Fund	\$34,450	—	—
341	Stormwater Capital Projects Fund	\$77,078	\$77,078	\$134,737
351	Road Paving and Repairs Fund	\$0	\$135,000	\$20,384

FY2027 Capital Highlights

- Public Safety: \$117,670 in short- and long-term capital — police vehicle and equipment (\$15,710), fire bunker gear, and engine payment (\$101,960).
- Fund 175 (Ryckman Park): \$25,000 allocated in long-term capital for playground equipment replacement and \$30,000 in short-term capital for bathroom roof repairs.
- General Government: \$100,000 for Town Hall elevator, with A/C unit and computer replacement, part of a \$115,000 total General Services capital outlay.

Debt Service

This year the town retired its stormwater capital projects bond (Fund 202), which was financed through a separate ad-valorem tax on residents' annual tax bills. Although the bond was paid off, the need for new stormwater projects persists and will grow exponentially if not addressed in a timely manner.

Possible Future Debt Service: To address that need, the Commission voted to put a \$5.0M general obligation bond referendum on the ballot this November. If passed by the voters, the bond would not only allow the Town to update its stormwater master plan and road improvements plan but also undertake several large projects that would otherwise wait years for funding to become available or draw down on Town reserve funding. A number of projects already in-process could also continue to the next phase such as the start of construction in Basin Ten and the completion of work in Basin One.

The table below provides context on the estimated required millage levy to fund up to \$5 million of capital needs over 20 years based on the current property tax Homestead exemption assuming an initial \$2 million borrowing in 2027, followed by \$3 million borrowing in 2029 (Source: PFM Financial Advisors, LLC, Town of Melbourne Beach, Florida General Obligation Bond Financing Update, Town Commission Meeting, August 5, 2026).

20-Year General Obligation Bond Financing			
Issuance Date	Project Amount	Est. Millage Levy*	Est. Annual Tax Payer Impact (\$250,000 Taxable Assessed Value)*
2027	\$2,000,000	0.22 mills	\$54.00
<u>2029</u>	<u>\$3,000,000</u>	<u>0.31 mills</u>	<u>\$77.00</u>
Total	\$5,000,000	0.53 mills	\$131.00

Should the afore mentioned State constitutional amendment on homestead exemptions be passed, (see "Tax Rate Impact on Residents" section), the corresponding *estimated annual taxpayer impact* listed in the table above would be increased as follows: \$18 more in 2027, \$26 more in 2029 for a total of \$44.

Current Debt Service: Currently, the Town carries two outstanding debt obligations: a municipal refunding bond issued through the Florida Municipal Loan Council (FMLC) that financed the Municipal Complex, and a lease-purchase agreement that financed the Fire Department's new engine (Engine 58). Both obligations are fixed-rate, fully amortizing, and serviced through annual transfers from the General Fund — the bond through Fund 201 (Municipal Complex Bond Debt Service Fund) and the fire engine lease through the Fire Control Department's (Dept. 22) annual capital outlay. *Together, these two obligations represent the entirety of the Town's current outstanding long-term debt.*

Municipal Complex Bond — FMLC Pool, Series 2017B Refunding

Bond Term	Detail
Purpose	Refunding of Municipal Complex construction debt
Issuer / Pool	Florida Municipal Loan Council (FMLC Pool, Series 2017)
Original Par Amount (Melbourne Beach allocation)	\$1,050,000
Dated Date	09/28/2017
First Coupon	04/01/2018
Final Maturity	10/01/2029
Coupon Range	4.000%–5.000% (final maturity 3.000%)
Outstanding Principal, Start of FY2027	\$315,000
Fund	Fund 201 — Municipal Bond Debt Service

Amortization Schedule

Period Ending	Principal	Coupon	Interest	Debt Service
10/01/2018	70,000	4.000%	49,307.50	119,307.50
10/01/2019	70,000	4.000%	46,100.00	116,100.00
10/01/2020	75,000	5.000%	43,300.00	118,300.00
10/01/2021	80,000	5.000%	39,550.00	119,550.00
10/01/2022	85,000	5.000%	35,550.00	120,550.00
10/01/2023	85,000	5.000%	31,300.00	116,300.00
10/01/2024	90,000	5.000%	27,050.00	117,050.00
10/01/2025	90,000	5.000%	22,550.00	112,550.00
10/01/2026	90,000	5.000%	18,050.00	108,050.00

Period Ending	Principal	Coupon	Interest	Debt Service
10/01/2027	100,000	5.000%	13,550.00	113,550.00
10/01/2028	105,000	5.000%	8,550.00	113,550.00
10/01/2029	110,000	3.000%	3,300.00	113,300.00
TOTAL	1,050,000		338,157.50	1,388,157.50

The shaded row marks the FY2027 budgeted debt service (Fund 201: \$100,000 principal + \$13,550 interest = \$113,550).

Fire Engine Lease-Purchase Agreement

Lease Term	Detail
Purpose	Purchase of new fire engine (Engine 58)
Lessee	Town of Melbourne Beach
Original Lease Amount	\$615,579.00

8	11/15/2030	79,459.02	10,686.70	68,772.32	149,118.99

Pmt #	Date	Payment	Interest	Principal	Balance After Pmt
9	11/15/2031	79,459.02	7,294.53	72,164.49	76,146.65
10	11/15/2032	79,459.02	3,735.06	75,723.96	0.00
TOTAL		794,590.20	179,011.20	615,579.00	

The shaded row marks Payment #4 (11/15/2026), which falls within FY2027 and corresponds to the annual capital outlay budgeted under Fire Control (Dept. 22) for the Engine 58 payment (≈\$79,460, rounded).

Combined Annual Debt Service, FY2027–FY2033

The table below combines both obligations by Town fiscal year. The bond retires in FY2029; the fire engine lease continues through FY2033. This does not include the potential new debt.

Fiscal Year	Bond Debt Service	Fire Engine Debt Service	Total Debt Service
FY2027	113,550.00	79,459.02	193,009.02
FY2028	113,550.00	79,459.02	193,009.02
FY2029	113,300.00	79,459.02	192,759.02
FY2030	0.00	79,459.02	79,459.02
FY2031	0.00	79,459.02	79,459.02
FY2032	0.00	79,459.02	79,459.02
FY2033	0.00	79,459.02	79,459.02
TOTAL REMAINING (FY27–FY33)	340,400.00	556,213.14	896,613.14

Town Events and Volunteer Boards

Melbourne Beach's calendar of community events continues to be robust with the Annual Tree Lighting, Founders Day, the Fourth of July celebration, the Halloween Haunted House, Family Movie Nights, sea oat plantings and beach clean-ups, the Children's Business Fair, the Veterans Day Memorial, and the Fall Festival, among others. In addition to the new Fourth of July golf cart parade and patriotic pets contest, the Parks Board this fall will roll out a new 'picnic at the park' event.

These cherished events and new event ideas continue to be made possible through the enthusiasm and commitment of Town employees, the Melbourne Beach Volunteer Firefighters Association, Police Department volunteers, and the volunteer members of the Town's boards: Planning and Zoning, the Board of Adjustment, the Environmental Advisory Board, the Ryckman House Board, the Old Town Hall Board, and the Parks Board.

Acknowledgments

I am immensely proud of the dedicated staff I have the privilege of working with daily serving the residents, visitors, and service providers of Melbourne Beach with professionalism, dedication, and integrity. To each of the Town's department heads, I am grateful for your expertise and leadership, and for the hard work and tough decisions undertaken in helping prepare this budget. Your dedication is indispensable to the Town; without your diligence and professionalism, this budget would not have been possible.

- Building Department: Steve Freeman, Building Assistant
- Code Enforcement: Jacob Lopez, Code Enforcement Officer
- Finance Department: Jennifer Kerr, Finance Manager, and Alexis Mojica, Finance Clerk
- Fire Department: Chief Gavin Brown; Captains Wooldridge, Bombriant, and Kelly; Fire Marshal Micka and all our wonderful fire department volunteers
- Police Department: Chief Tim Zander; Deputy Chief Smith; Sergeants Hinchman and Sadler; Corporals Meehan and O'Byrne; Officers Carroll, Sullivan, Earl, Riviera, DeLeon, and Brown; Police Administrative Assistant Shanna Bottoms and all the amazing police department volunteers
- Public Works Department: Director Tom Davis; Foreman Sean Hasner; Joe Bouche; Angel Compres
- Town Clerk: Cyd Cardwell
- Town Receptionist: Trisha Yracheta

On behalf of Town staff, I extend our sincere gratitude to each of the Town's elected officials, past and present, for your collective direction, confidence, guidance, and support. We look forward to collaborating with you on the quality-of-life priorities for residents in Fiscal Year 2027, including stormwater projects, road paving, long-term financial sustainability, code compliance, and public safety. Your thoughtful and informed leadership is essential to the well-being and enduring character of the Town of Melbourne Beach, Florida.

Respectfully submitted,

Town Manager

NOTES:

Note to Residents: "Maximum Millage" is a specific term the Town uses according to the State Department of Revenue in order for the Town to be "Truth in Millage" (TRIM) compliant. The term "maximum millage" does not imply that the Town Commission will be levying the maximum taxes to the citizens of Melbourne Beach. At the appropriate meeting, the Town Commission sets an amount (a maximum millage) that the Town cannot go over for the final budget. The Town Commission can come down from the maximum millage amount when determining the final budget, but cannot go over this amount for any reason.

SPECIAL REVENUE FUNDS

Department / Item	FY27	FY28	FY29	FY30	FY31	Replacement	Notes / Open Items
Ryckman Park Parking Fund (175)							
Ryckman Park Playground	\$ 25,000	\$ 25,000	\$ 25,000	\$ 25,000	\$ 25,000	15 years	
Resurface Tennis Court	\$ 6,000	\$ 6,000	\$ 6,000	\$ 6,000	\$ 6,000	7 years	
Resurface Basketball Court	\$ -	\$ 2,000	\$ 2,000	\$ 2,000	\$ 2,000	5 years	
Bathroom Roof	\$ 30,000	\$ -	\$ -	\$ -	\$ -	0	Roof will be replaced in FY27
Total – Ryckman Park Parking Fund	\$ 61,000	\$ 33,000	\$ 33,000	\$ 33,000	\$ 33,000		

Stormwater Assessment Utility Fund (141)							
Emergency Repairs	\$ 111,868	\$ 111,868	\$ 111,868	\$ 111,868	\$ 111,868		Assessment fee escalates with inflation, which is not yet estimated for out-years.
Total – Stormwater Assessment Utility Fund	\$ 111,868	\$ 111,868	\$ 111,868	\$ 111,868	\$ 111,868		

Note: Bond project total above (≈ \$5.3M, excluding the TBD wildlife-safeguard item) is consistent with the \$5 million General Obligation Bond referendum described in the FY2027 Budget Message. These projects are contingent on referendum approval and are not included in the fund totals above.

TOWN-WIDE CAPITAL OUTLAY SUMMARY (ALL RECURRING FUNDS)							
Department / Item	FY27	FY28	FY29	FY30	FY31	Replacement	Notes / Open Items
General Fund – Total Capital Outlay	\$ 221,410	\$ 257,339	\$ 187,839	\$ 186,960	\$ 171,460		
Stormwater Assessment Utility Fund (341)	\$ 111,868	\$ 111,868	\$ 111,868	\$ 111,868	\$ 111,868		
TOWN-WIDE TOTAL CAPITAL OUTLAY	\$ 333,278	\$ 369,207	\$ 299,707	\$ 298,828	\$ 283,328		

All department, fund, and town-wide totals are computed with live SUM formulas from the itemized rows above; edit any year/item cell and totals will recalculate automatically. Cells marked "TBD" indicate a cost estimate that has not yet been determined.

RESOLUTION NO. 2026-08

A RESOLUTION OF THE TOWN OF MELBOURNE BEACH OF BREVARD COUNTY, FLORIDA, ADOPTING THE FINAL LEVYING OF AD VALOREM TAXES FOR FISCAL YEAR 2026/2027; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Town of Melbourne Beach of Brevard County, Florida, held a public hearing on September 16, 2026 as required by Florida Statute 200.065; and

WHEREAS, the Town of Melbourne Beach of Brevard County, Florida, on September 16, 2026, adopted Fiscal Year 2026/2027 Millage Rate following a public hearing as required by Florida Statute 200.065; and

WHEREAS, the gross taxable value for operating purposes not exempt from taxation within Brevard County has been certified by the County Property Appraiser to the Town of Melbourne Beach as \$ 725,977,934.

NOW, THEREFORE, BE IT RESOLVED by the Town Commission of the Town of Melbourne Beach of Brevard County, Florida, that:

Section 1. The Fiscal Year 2026/2027 operating Millage Rate is 4.6000 mills, which is greater than the rolled-back rate of 4.3987 mills by 4.58 %

Section 2. The voted debt service millage is 0.00%.

Section 3. This Resolution will take effect immediately upon its adoption.

PASSED AND ADOPTED by the Town Commission of the Town of Melbourne Beach, Brevard County, Florida, at its special meeting / public hearing this 16th day of September, 2026.

Subject: 4.6 millage rate
Date: Saturday, September 5, 2026 9:59:07 AM

Good morning

This is a formal request to please vote for the 4.6 mil rate and not the rollback at the upcoming final budget vote this week.

How are we supposed to fund anything if you vote for the rollback? We are, even at 4.6 if approved, the lowest in the county - what is the logic behind that?

Also, if you go with the rollback then next budget season if there is a rollback it will be an even lower.

Please vote for 4.6.

Thank you

Marivi Walker

Subject: Address to the commission September 9 2026
Date: Wednesday, September 9, 2026 9:38:42 AM

Please read this at the commission meeting tonight at the appropriate time, either public comments or at the beginning of the meeting.

Thanks,
Bruce

Bruce Pickett 1501 Oak street

We are currently out of town with a family emergency but are able to watch the meetings on line.

I was encouraged while watching last week's meeting to see that Commissioner Reed seemed amenable to the 4.6 mileage rate, with some adjustments. I was also encouraged that the other Commissioners were accepting of his suggestions. Compromise can be a good thing. I encourage, request even implore the commission to approve the 4.6 mileage rate. This will set our town up to be successful and sustainable for the next year.

The next year brings some possible challenges, with the proposed state homestead legislation and the General Obligation Bond being on the ballot this fall. At this time we don't know the result of either of these ballot votes. To use the rollback rate will be handicapping the town for at least the next year and possibly for future years if the state continues to look at rollback rates going forward. As Melbourne Beach already has the lowest mileage rate in the county and prices of everything continue to rise, we are getting further and further from being able to afford the level of services that have traditionally been provided. Already we won't be able to afford the major stormwater repairs without either the General Obligation Bond passing or going into the reserve fund. Also the road paving and other infrastructure repairs will need to be addressed.

I have complete confidence in our Town Manager and Town Finance Manager to create, manage and administer the budget in a fiscally responsible manner. Let's give them the tools that they need to support our town and our quality of life here in Melbourne Beach.

Again I encourage, request and implore you to approve the 4.6 mileage rate budget.

Thank You

Subject: 4.6 mill rate

Dear Mayor and Council Members,

I am currently out of town and unable to attend tonight's budget meeting. However, I respectfully request that this email be formally read into the record as my statement in support of the proposed 4.6 millage rate and in opposition to the rollback rate. Please confirm receipt of this email.

This is a formal request that you vote to approve the **4.6 millage rate** and reject the rollback at the upcoming final budget vote this week.

I am concerned about how the Town will be able to adequately fund essential services and address the needs of our community if the rollback rate is adopted. Even at 4.6 mills, Melbourne Beach would remain at the **lowest millage rate in the county**. Given that, I would like to understand the rationale for reducing the rate even further. How can we realistically fund the Town's needs while continuing to maintain services and plan responsibly for the future?

I am also concerned about the precedent this would set for future budgets. If we adopt a rollback rate this year, it establishes an even lower baseline for future budget discussions. Another rollback in a subsequent year could push the millage rate lower still, further limiting the Town's ability to generate the revenue necessary to meet its responsibilities.

I strongly encourage the Council to take a long-term, fiscally responsible approach and **approve the 4.6 millage rate rather than the rollback**.

Thank you for your consideration, and again, please confirm that this email has been received and will be formally entered into the record.

Sincerely,

Cindy Korn

Subject: Budget Meeting Statement
Date: Wednesday, September 9, 2026 6:25:02 PM

Dear Town Clerk,

Dear Mayor and Council Members,

I am currently unable to attend tonight's budget meeting. However, I respectfully request that this email be formally read into the record as my statement in support of the proposed 4.6 millage rate and in opposition to the rollback rate. Please confirm receipt of this email.

This is a formal request that you vote to approve the **4.6 millage rate** and reject the rollback at the upcoming final budget vote this week.

I am concerned that we need to ensure we have the funds to maintain streets, water runoff/drainage, and infrastructure. This in addition to police and fire services. Even at 4.6 mills, Melbourne Beach would remain at the **lowest millage rate in the county**. We need to ensure our town has the funds to keep essential services and infrastructure up to par.

I strongly encourage the Council to take a long-term, fiscally responsible approach and **approve the 4.6 millage rate rather than the rollback**.

Thank you for your consideration, and again, please confirm that this email has been received and will be formally entered into the record.

Sincerely,

Everett Schuyler DeJong
