NOTES:

Note to Residents: "Maximum Millage" is a specific term the Town uses according to the State Department of Revenue in order for the Town to be "Truth in Millage" (TRIM) compliant. The term "maximum millage" does not imply that the Town Commission will be levying the maximum taxes to the citizens of Melbourne Beach. At the appropriate meeting, the Town Commission sets an amount (a maximum millage) that the Town cannot go over for the final budget. The Town Commission can come down from the maximum millage amount when determining the final budget, but cannot go over this amount for any reason.

Red items are included in grant funding

Green items include expense for Chief and expense for new employees. New employee items are included in grant funding.

The difference between no additional paid fire fighters and 6 additional fire fighters
is : \$477,249.00

The difference between Option A and Option B can paid for by the following:

1. The Safer Grant Award is: \$444,039.75 This leaves a difference of \$33,209.25 to make the department budget whole.

The difference can be paid for using a portion (\$33,209.25) from long term capital of (\$100,000) or a portion from the sale of the fire trucks (\$125,000) or Contingency (\$60,000)

2. The Town can borrow the \$477,249.00 from reserves. This can be repaid over time or not. Repayment will be determined by the Commission.

3. The Town can use the sale of the fire trucks (\$125,000) plus (\$100,000) from LTC and (\$252,249) from reserves.

4. The Town can use the Contingency line item in Dept. 19 of (\$60,000), sale of fire trucks of (\$125,000), (\$100,000) from LTC and (\$192,249) from reserves.

For the purposes of budgeting, I have moved \$477,249 from the General Fund to offset the expense for the 6 fire fighters. If the Town receives the grant, then the difference between the grant will be paid for using scenarios 1-4.

Should the Town not win the Safer Grant, and the Town wishes to move forward with the 6 full time fire fighters, then the Town can propose a Special Fire Assessment. The documentation required to Institute a Special Fire Tax takes several months to complete. The paper work could be completed during FY26 to allow for the implementation of the tax in FY2027.

YEAR 2 of Safer Grant

If the Town wins the Safer Grant, the Town will receive \$444,039.75 from FEMA toward the expense for the 6 paid fire fighters. The Town will need to make up the difference using a Special Fire Tax Assessment or one of the funding options mentioned in the first column. The amounts listed in the first column would need to be increased to allow for increases in cost, salaries, etc.

YEAR 3 of Safer Grant

If the Town wins the Safer Grant, the Town will receive \$207,218.55 from FEMA toward the expense for the 6 paid fire fighters. The Town will need to make up the difference using a Special Fire Tax Assessment or one of the funding options mentioned.
