

# OPIOIDS IN BREVARD COUNTY: A COMMUNITY TOWN HALL

*Share Your Thoughts on the Opioid Epidemic in Brevard County*

Opioid overdoses and deaths have hit Brevard hard in recent years and are still affecting communities throughout our county.

How have opioids affected you and your community? Come to any of our town halls and voice your experiences, questions, and concerns.

## WHETHER YOU'VE

- struggled personally
  - know an individual or family who's been affected by opioid use, or
  - are concerned about the impacts of opioids and drugs in your community,
- your experiences and opinions will help us find ways to effectively combat the many and tragic impacts of these powerful drugs.
