

October 16, 2024

The Honorable Alison Dennington
Mayor, Town of Melbourne Beach
507 Ocean Ave
Melbourne Beach, FL 32951-2523

Dear Mayor Dennington:

Advocacy is one of the primary missions of the Florida League of Cities and it is my pleasure to appoint you as a member of the Florida League of Cities' 2024-2025 Advocacy Committee to fulfill this important goal. This committee will be responsible for fulfilling the duties outlined in the Advocacy Mission Statement and for developing ideas and activities that strengthen our influence with state officials.

The Advocacy Committee will meet in conjunction with the FLC Legislative Conference; The meeting will take place on Thursday, December 5, 2024 at 8:00 a.m. ET.

The success of the League's legislative initiatives depends directly on the active involvement of our members in advocating and lobbying for the League's priorities before the Legislature. Positive outcomes are achieved when elected officials collaborate and communicate with a shared vision for improving our cities. The League's officers and Board of Directors are grateful for your dedication, and we encourage you to commit your time and energy to this important effort.

Should you have any questions regarding your role on the Advocacy Committee, please contact Allison Payne at the League office, (850) 701- 3602 or e-mail: apayne@flcities.com. Again, thank you for your commitment to the League. I look forward to working with you and to a prosperous and successful year!

Sincerely,

A handwritten signature in black ink that reads "Michael C. Blake". The signature is written in a cursive style.

Michael C. Blake, President
Mayor, City of Cocoa
